

STANLEY GIBBONS

THE HOME OF STAMP COLLECTING

Dear Sir/Madam,

As a loyal and valued customer of Stanley Gibbons, we are writing to you today to inform you of some exciting changes to our product range. We have reviewed all aspects of our album and accessories range in order that we can deliver an improved, more versatile selection of core Stanley Gibbons Products.

Many of our most popular products are not changing and we have worked hard to maintain or reduce prices across the vast majority of these. We have added new products such as Stanley Gibbons stock books and made significant improvements to our album range which will now all be handmade exclusively for Stanley Gibbons and our customers.

A decision to change a range is never an easy one and we understand that some of you will have collected in our albums for many years. However, after much consideration, we have decided that we will no longer be able to produce some of the albums that you have previously purchased from us. These albums are:

- Windsor Albums (We will continue to sell annual supplements for the Windsor Albums)
- Stanley Gibbons One Country Albums
(We will continue to sell annual supplements for the Stanley Gibbons One Country Albums)
- Devon Albums
- Universal Albums
- Senator Standard Albums
- Simplex Standard Albums
- Malvern Albums
- The Philatelic Album
- Frank Godden Warwick

We will continue to sell these whilst stocks last, please contact us if you wish to place an order. The new range will provide collectors with more freedom and flexibility, offering a selection of interchangeable leaves which will fit in a variety of albums to suit collectors at all levels

These impressive new albums and accessories will be available online, in-store and via our customer service team from the 9th September. You will also be able to see the new range in its entirety at the September Stampex and we look forward to meeting many of you there.

These changes form part of our bigger plans to reinvigorate both Stanley Gibbons and the wider hobby, including a modernised look for the company, a new website, and in the new-year a fully redeveloped, unrivalled shopping experience at 399 Strand. Unchanged however will be our commitment to doing our best for our customers and putting you at the heart of everything we do.
